NORTHERN NEUTRALS NERVOUS AS TENSION INCREASES OVER IRON FOR REICH

STOCKHOLM, MAR. 29 (REUTERS)—FEARS ARE WIDELY EXPRESSED THAT THE NORTHERN NEUTRALS, ESPECIALLY NORWAY, ARE IN AN INCREASINGLY DANGEROUS POSITION.

All newspapers carry the report of impending events in the North Sea and it is generally assumed that yesterday's Supreme War Council decided to favour further action against shipments of iron ore from Norway to Germany.

It is recognised that the cutting off of the Norwegian route will be an extremely serious blow to Germany, as she will then be forced to wait for at least a month until Sweden's Baltic port of Lulea is ice-free.

Moreover, Narvik is only a hundred miles from the iron-fields while Lulea, 250 miles distant, is connected only by a small railway.

The Tidningen's Berlin correspondent says: "Well-informed German circles consider that events have taken a tremendously dangerous turn for the neutrals, especially Scandinavia, during the past 24 hours."

AT ANY COST

"The Western Powers are determined to stop iron ore from reaching Germany at any cost while Germany depends on these supplies. Without them she will be unable to carry on."

The correspondent adds that the situation is nearer a point than is generally believed in which Germany will be compelled to take steps to protect her vital interests.

The correspondent further declares that it is taken for granted in Berlin that the Western Powers have decided to ignore the Scandinavian neutrality on the principle that "he who is not with us is against us."

FLOUR MILL WORKERS IN SHAI CLASH

SHANGHAI, Mar. 29 (Reuters)—A clash between dissatisfied former workers, and their successors, of the Foh Shing Flour Mill in the International Settlement yesterday resulted in about 20 men being injured.

About 25 pistol rounds were fired by the Settlement police to end the fight. Some of the bullets wounded three Chinese Chinese rioters and a Chinese onlooker.

A foreign police-sergeant was seriously struck by an earthenware jar by a workman. About 200 rioting using bamboo poles, sticks, chains, jars and stones.

A reserve police unit, charged and dispersed the rioters.

DEATH OF DR. L.F. WILBUR

Special to H. K. Daily Press
TIENTSIN, Mar. 29 (Havas)—Dr. Leonard Fisk Wilbur, superintendent of the American Board Mission Hospital at Taku, Shansi, died of typhoid on Mar. 24, aged 33.

Son of Judge Curtis D. Wilbur, of San Francisco, Dr. Wilbur came to China in 1933, accompanied by his wife.

He returned from the United States last September and is survived by his wife and two children.

POLISH PLANES JOIN ALLIES

PARIS, Mar. 29 (Reuters)—The first squadron of Polish planes, which had been training in France, has now joined the Allied forces on the Western Front.

M. Sikorski, addressing the pilots before their departure, said: "You last fought in Poland. You will be the first to fight for Poland in France."

PARIS, Mar. 29 (Reuters)—Today's war communiqué states that there was nothing to report.

GEN. IRONSIDE

GEN. GAMELIN

"ENGLISH AND FRENCH HEARTS BEAT AS ONE"

LONDON, Mar. 29 (Reuters)—Gen. Gamelin, Commander-in-Chief of the Allied Forces, addressing a regiment of French Canadians at Aldershot, after a two hours' inspection, said: "We have not forgotten in France the entente cordiale of the last war. Today, English and French hearts beat as one."

Gen. Gamelin began with the word "comrades" and concluded smartly: "I salute you." He was loudly cheered.

Accompanied by Gen. Sir Edmund Ironside, Chief of the Imperial General Staff, Gen. Gamelin inspected over 1,000 men of two regiments and field artillery. Planes wheeled overhead as the men marched past.

3 Attempted Killings In Two Hours Significant Attacks

SHANGHAI, Mar. 29 (Reuters)—There were three attempted assassinations in the International Settlement and the French Concession within two hours yesterday, and resulted in four Chinese being wounded seriously.

Two of the shootings were in the Settlement. The victims are both known to be supporting the Japanese. The attacks are regarded as significant at this time, the eve of the inauguration of the new "central government" in Nanking.

In the third shooting, the intended victim and his bodyguard were injured, and is reported to have no political motive.

In Hongkew, the Japanese-controlled area, where of shooting occurred, is believed to be the first attempted political assassination in the Japanese-controlled territory since the 1937 hostilities.

The victim of the Hongkew shooting was Hsu Shen, a Japanese-speaking Chinese journalist employed by the Hsin Shun Pao, a Japanese owned Chinese language paper.

SUSPECTED MURDER Body Found In Field

The body of an unknown Chinese male, dressed in cotton suit with a padded jacket, and wearing no shoes or socks, was found lying in a paddy field at Ngau Tam Mei yesterday.

The man, who had a small moustache, had a wound on the head believed to have been caused by a heavy blunt instrument.

A basket, containing a jacket and empty tin cans, was found nearby. Murder is suspected.

ABERDEEN TRAWLER ATTACKED

LONDON, Mar. 29 (Reuters)—The Aberdeen trawler Inverneill was attacked by a German plane off the north-east coast of Scotland last night.

The plane dropped three or four bombs and aerial torpedo but made no direct hits.

The mate was wounded in the arm.

The trawler's Lewis gun fired 250 rounds and the plane eventually made off. The plane also machine-gunned the trawler.

CHINA'S FIRST LADY THANKS WOMEN WAR WORKERS: SPECIFIC INSTRUCTIONS GIVEN REGARDING THEIR FUTURE WORK

Glowing Tribute Paid To Madame Sun Yat-sen

MADAME CHIANG KAI-SHEK, CHINA'S FIRST LADY, who came to Hongkong last month for medical attention, recently invited the leaders of local Chinese women's bodies to her residence when she received reports of the different organisations and gave specific instructions regarding their future work. The interview lasted for about four hours.

Among those present were representatives of the Hongkong Branch of the National Women's Relief Association, the China Defence League, the Hongkong Chinese Women's Association, the Hongkong Women's Committee of the National Association for the Promotion of the New Life Movement, the Hongkong Chinese Women Soldiers' Relief Association, the Hongkong Y.W.C.A., the Hongkong Branch of the National Association for the Care of War Orphans, and the Canton Y.W.C.A.

Madame Sun Yat-sen and Madame H. H. Kung, elder sisters of Madame Chiang, were also present.

Madame Chiang expressed gratification at the patriotic work undertaken by the different bodies and instructed that as many enthusiastic workers as possible should be allowed to take part in the various phases of work.

TRIBUTE TO MME. SUN

Madame Chiang paid a glowing tribute to Madame Sun Yat-sen for the role she played in the development of the Chinese Industrial Co-operatives and the National Red Cross Society of China, and for her efforts in international publicity.

This has won much sympathy for China in her fight for independence and world peace and justice, as manifested by the generous material aid to China. Madame Sun's zeal in patriotic activities, in her opinion, should be an example to all Chinese women.

Thanks were also expressed by Madame Chiang to Madame Kung for her untiring work.

According to Madame Chiang, the Winter Garment Campaign which she sponsored last winter raised a total of \$7,000,000 (Chinese currency). She said she was

Mme. Chiang Visits War Orphans At Fanling

SPACIOUS NEW HOME

MADAME CHIANG KAI-SHEK yesterday paid a visit to the new home of the Hongkong Branch of the National Association for the Care of War Orphans at Fanling.

Removal of the home, which was formerly located at the old Government Civil Hospital, to the new premises in the New Territories donated by Mr. Aw Boon-haw, was completed yesterday.

China's First Lady braved the heavy rain and cold to keep her promise to see and talk to the war orphans and to spend the first day with them at their new home.

She was accompanied by Madame Sun Fo. A large gathering of prominent Chinese women relief workers was present to greet them, including Mrs. C. C. Wu, Miss Hu Mu-lan, Mrs. Li Shu-fan, Mrs. Rose Tan, Mrs. Katherine Kan, Mrs. M. K. Lo, Mrs. P. P. Ho and Mrs. Lambert Gockobin.

After inspecting the spacious premises, Madame Chiang was present at an entertainment given by the children, to whom she spoke simply and affectionately.

EXCEEDINGLY HAPPY

Madame Chiang said that she was exceedingly happy that her hope of being with the war orphans now being cared for in Hongkong had been fulfilled.

The Generalissimo and herself, she said, regarded themselves as their parents, and in the same way the children should regard their teachers and guardians as their own parents.

Through the goodheartedness and generosity of many people, both Chinese and foreigners, the children now had an excellent opportunity to equip themselves to become useful citizens in later years, and she trusted that her hope in them would not be misplaced.

Hongkong, said Madame Chiang, was the gateway of China. Whatever the children did would be known to the world. She wanted them to set a good example, both in their studies and in their general conduct, so that all China might look to them with pride.

MAKE SACRIFICES

The older children must help the younger and the gifted should help those less fortunate, stated Madame Chiang, who also said that not all those that contributed to the funds of the Association were well-to-do people. There were many who had to make sacrifices.

Fatal Stabbing Incident In H.K. Prison Cell: Long-Term Convict Faces Capital Charge

A fatal assault in a cell in Hongkong Prison, Stanley, on Feb. 4 had a sequel at the Central Court yesterday afternoon when LI SHEK-MAN, alias LI TOK, alias MANG KAI-TSAI, a long-term prisoner, was charged with the murder of LAU CHUEN, a fellow-prisoner, who was due to be released on Feb. 5.

Li Shek-man, who was confined in a cell in another block of the Prison, is alleged to have wandered into Lau's cell and there inflicted a blow with a knife in the chest. Lau died in the Queen Mary Hospital on March 9.

The case came before Mr. T. J. Houston.

Mr. E. H. Williams, Crown Counsel, was in charge of the prosecution, assisted by Det. Insp. L. R. Whant, who conducted the investigations.

Mr. V. H. Freeman, Supervisor of the Prison Hospital, told the Court that on the morning of February 4 he received a telephone message concerning a stabbing incident. On arrival at the hospital he saw Lau Chuen on a stretcher, with a serious stab wound on the left side of the chest, just under the collar-bone. As the doctor was not available at the time, witness dressed the wound and sent Lau to the Queen Mary Hospital.

On the following day he saw the accused who had bruises on his right eye and thigh.

Dr. G. V. A. Griffith, medical Officer of the Queen Mary Hospital, gave evidence that Lau was admitted on February 4, and died on March 9. The deceased devoted

COLLISION IN HARBOUR

FOUR CHILDREN DROWNED

Four children, two girls and two boys, all Chinese, lost their lives following a collision in the central fairway of the harbour yesterday.

The children, who were from Junk No. 71458H, were:—
Sui Mei-kai, aged 9; Chung Chung-mo, aged 11 (girl); Tung Tung-pat, aged 10; and Chung Fung-shing, aged 8, girl.

BOAT CAPSIZES

According to a police report, boat No. 2089 capsized in Taitan Bay, off the Indian Married Officers' Quarters, Stanley Prison, yesterday about 1 p.m. A woman, Sam Kau-mui, aged 39, was drowned.

DORNIER CREW KILLED

PARIS, Mar. 29 (Reuters)—It is officially announced that a German Dornier type of plane crashed while on reconnaissance over north-east of France yesterday, the entire crew being killed. The crash was attributed either to engine trouble or a storm.

TRUTH OF SELENGA STORY

LONDON, Mar. 29 (Reuters)—Reports from Hongkong that the Soviet steamer Selenga has been released are now cleared in London.

The truth is that the Soviet steamer has been handed to the French authorities for further examination and has not been handed back to the Soviet authorities.

There is nothing strange in the procedure as the Allied navies are in full co-operation and sometimes it is convenient to transfer detained vessels to the French Naval authorities.

Supreme War Council Declaration Most Important Development Since Outbreak

PARIS, Mar. 29 (Reuters)—Newspapers describe yesterday's Supreme War Council declaration as the most important development since the war began, large headlines stressing the Franco-British undertaking not to conclude separate armistice or peace.

PETIT PARISIEN WRITES: "IT IS A GREAT ACT OF WHICH THE FUTURE WILL SHOW THE IMPORTANCE."

Gen. Duval, in Le Journal, says: "We can hope this time that victory will mean something and will last."

Excelsior says: "Comparison of yesterday's historic declaration with the communication presented to Mr. Sumner Welles shows the parallelism of French, British and American peace aims."

Madame Genevieve Tabouis, in L'Oeuvre, writes: "The communiqué is considered to contain the embryo of a new Europe."

British Wireless adds that the Manchester Guardian says, "The declaration does not go beyond what everybody has taken for granted about unity in the war and in making peace but it is good to have it stated explicitly and in the firmest terms. Important as

is the reassurance to opinion both here and in France still more important it is as an indication to Germany and to non-belligerents, with claims to make, that neither of the Allies can be deceived.

"The declaration is linked pointedly with the agreements of last year and particularly with the economic agreement signed by Sir John Simon and M. Reynaud. The new French Prime Minister has been closely identified with the unification of the war effort of the two peoples."

CALL ON LEBRUN

PARIS, Mar. 29 (Reuters)—M. Reynaud, the Premier, called on M. Lebrun, President of France, this morning to report on the Supreme War Council meeting.

The encounter should prove to be the classic match for many a season for it is several years since two Chinese teams met to contend for the coveted trophy.

Tremendous interest has been aroused in soccer circles and thousands are expected to crowd the ground—and the hillside—long before the referee blows the initial whistle.

Cricket Notes:

Play Unlikely Today

K.C.C. v. C.S.C.C.
Tomorrow At
Kowloon

(BY "E. U. ROPES")

At the time of writing it does not look as if the weather will permit of any cricket for the week-end, for, even if it does clear up, the wickets would have been so sodden by yesterday's rain that it will be impossible to play on them.

Anyway I am being an optimist and am banking on the possibility of having some pukka tropical shine that will really "bake" the wickets.

According to the card, the Cricket Club are down to play the K.C.C. in both divisions (friendly games, of course), while the Army are to play Civil Service. In the Second Division, a League game is scheduled between Craigengower and C.S.C.C. but I doubt if it will come off.

On Sunday D. McLellan is taking a C.S.C.C. team to the K.C.C. for an all-day game. A good match should result if the rain keeps off.

Colony Chess Championship

Sir Henry Pollock has moved up to second position in the Colony Chess Championship Tournament as a result of his win over K.M.A. Barnett on Thursday. In another match, D. E. de Carvalho beat L. Blair.

TOURNAMENT TABLE

The Tournament Table, brought up to date, is:

	P. W. D. L. Pts.
E. Zimmern	8 7 0 1 7
Sir H. E. Pollock	9 5 2 2 6
B. S. Litvin	9 6 3 0 6
K. Weiss	9 5 1 3 5 1/2

A. Kurik	8 3 1 4 3 1/2

How They Reached The Final

SOUTH CHINA "A"

1st round: v. Kwong Wah 5-2
2nd round: v. Royal Navy 4-2
Semi-final: v. Police 3-2
Goal scorers: Lee Wai-tong (5), Lai Shiu-wing (5), Lau Tau-man (2)

EASTERN

Bye
v. Royal Scots 3-0
v. South China "B" 4-2
Goal scorers: Lee Tak-kee (2), Cheung Kam-hoi (2), Chung Yung-sum (2), Woo Chi-sang.

Prior to the big game, the Junior Shield final will be played between the Royal Engineers, former holders, and the 30th R.A. This should prove of much interest in military circles and sappers, and gunners will be there in full force to cheer their respective teams.

Fickets for the senior game have, it is understood been sold out and there is only limited accommodation left in the covered

stand. Fans are advised to be at the ground early to avoid the inevitable crush half-an-hour or so before the kick-off.

The previous two League meetings between South China "A" and Eastern, both of which resulted in odd-goal victories for the Caroline Hill men, drew capacity crowds and, with their meeting in the all-important Shield encounter, a crowd of ten to fifteen thousand is fully anticipated.

INTERNATIONAL SOFTBALL SERIES START TOMORROW

BY R.O.Y.

Although the weather looks anything but promising at the moment, the International Softball Series is slated to get under way tomorrow at 2 p.m. on the Kowloon Football Club ground.

The whole of the gate receipts for the Series will go to the Women's Air Raid Precautions Union, who are striving to equip A. B. F. Posts throughout the colony with bandages and first aid equipment.

As the admission fee will be only 20 cents, a large crowd is expected to be on hand when China clashes with the Philippines in the opening match.

The nightcap will see the United States opposed to India, and both matches promise to provide excellent entertainment.

STRONG SIDE

The Chinese selections, as published previously, are quite the strongest side that could be selected and should pass through to the next round at the expense of the Filipino boys, who will be represented by the following: Dave Amper (p), Bob Laurel (c), Yancy Marques (lb), Loyola (2b), Palma (3b), Dave Bautista (s.s.), Johnny Delgado (1b), Dollano (cf), and Frankie Gonzales (rf). The reserves will be Patawara, Emil Porter, Eusebio, Diesta, Masabni and Ben Hidesano.

INDIA'S CHANCES

India's selectors have not yet released their line-up for publication and I wonder if Manager Kassar Nazarin is trying to hide a trick or two, that he may have, up his sleeve. Even if such should be the case, it is extremely doubtful if India's representatives will manage to survive this round against such an experienced aggregation as the United States will put in the field.

AMERICAN LINE-UP

Although the Tulsa boys are back in town, they are not eligible for this Series, and America will line-up the following: "Doc" Molthen (p), "Paints" Thomas (c), Ernie Heather (lb), "Bonus"

EASTERN

Lau Hin-hon;
Kong Sin-king;
Tsang Chung-wan;
S.C. Lin;
Hsu King-seng;
Lo Wai-kuen;
Chung Yung-sum;
Cheung Kam-hoi;
Lee Tak-kee;
Cheng Ying-kuen;
Hau Ching-to.

JUNIOR SHIELD WINNERS SINCE 1923

2nd Batt. King's Regt.—1923.
H.M.S. Titania—1924.
1st Batt. East Surrey Regt.—1925, 1926.
K.O.S.B.—1927, 1929.
Chinese Ath.—1928, 1930.
Royal Navy—1931, 1933, 1934.
12th Hvy. Battery R.A.—1932.
Royal Engineers—1935, 1936, 1937.
Kwong Wah A.A.—1938.
Royal Scots—1939.

A forecast of the result would indeed be a difficult task even for the most seasoned football critic but an odd-goal victory for either team is indicated. In a match like this, naturally the "early bird (goal in this case) gets the worm." Eastern are known for their all-out tactics in the opening stages of the game and should they introduce this effectively today it should stand them in good stead to receive the trophy at the conclusion of the match.

The Caroline Hill team, of course, have Lee Wai-tong and in him they have the potential goal-getter for a match of this nature. Though he may be slow now he is still mighty dangerous with his kick and is worth at least two, if not, three goals still. South China "A" have won the Senior Shield for the past four years having defeated the Police 5-3 in the final last year on the Club ground. They will, therefore, start favourites this afternoon.

"THE OLD MAID" AT THE KING'S TODAY

Presenting as co-stars two of the screen's greatest actresses—Bette Davis and Miriam Hopkins—the long-heralded motion picture version of Edith Wharton's famous story, "The Old Maid," will be offered on the screen of the King's Theatre today. It is said to be the most gripping and realistic showing of human emotions that Warner Bros. have offered this season.

Miss Davis and Miss Hopkins advance from girlhood to middle age, as the action progresses in the story of two women who dwell in the same home but whose hearts are filled with hatred of each other.

Associated with the co-stars are such noted players as George Brent, Jane Bryan, Donald Crisp, Louise Fazenda, James Stephenson, Jerome Cowan, William Lundigan, Cecilia Loftus, Janet Shaw, De Wolf Hopper and Rand Brooks.

Anti - T.B. Association Holds First Meeting

WIDE CAMPAIGN IS PLANNED

The first meeting of the Executive Committee of the Hongkong Anti-Tuberculosis Association was held on Wednesday evening in the Urban Council Chamber.

Members present were:—The Hon. Dr. Li-shu Fan, Mr. Ho Kam Tong, O. B. E., The Hon. D. F. S. Selwyn-Clerke, M. C. (President), The Hon. Sir R. H. Kotewall, C. M. G., The Hon. Sir H. E. Pollock, K. C., L.D., Dr. F. I. Tseung, Miss Ruby Mow Fung, Mr. W. Yinson Lee, Mr. C. G. Solis, (Vice-Chairman), The Rev. J. R. Higgs, Dr. T. P. Wu, Dr. N. C. McLeod, (Secretaries), The Hon. Mr. M. K. Lo, (Chairman), Mrs. Li Shu Pui.

The chief business of the meeting was the adoption of the Constitution of the Association and this was done on the proposal of the Hon. Sir Robert Kotewall, with Dr. F. I. Tseung as seconder.

Other matters discussed included the proposed affiliation of the Association to the National Association of Great Britain for the Prevention of Tuberculosis; expenditure on anti-spitting notices, anti-tuberculosis posters and street lecturers, and the raising of funds to carry on the work.

CHIEF AIMS

Among the chief aims of the Association are:—

To study the cause of the high incidence of and mortality from tuberculosis in Hongkong.

To investigate ways and means of attacking these causes at their root.

To educate the community in the cause and prevention of tuberculosis.

To raise funds to further these objects and to augment existing official and private means for the discovery and cure of tuberculous persons and, generally, for the prevention of the disease.

To receive any gift, allotment or grant of land for the purposes of the Association.

MEMBERSHIP

Membership of the Association consists of two classes, namely, ordinary membership (\$5.00 per annum) and life membership (upon payment of a lump sum of not less than \$100,000). Already there has been a considerable application for membership and it is hoped that all those who wish to help the Association in its humanitarian work will become members. Application should be made to:—The Honorary Secretaries, Hongkong Anti-Tuberculosis Association, Post Office Building, 3rd floor, Hongkong.

Appeal To University Graduates To Join Alumni Assn.

An earnest appeal to all graduates of the Hongkong University to enroll as members of the H.K.U. Alumni Association was made at the annual meeting yesterday by Dr. F. I. Tseung, who was unanimously elected President for the coming year.

The Hon. Secretary, Mr. F. Zimmerman, in his report, said that the membership stood at 197 last year, being a decrease of nine as compared with the preceding year. There was a small loss on working of \$23.98, which was considered satisfactory in view of the reduction in the receipts from games.

The premises, furniture and fixtures, he said, had been kept in a good state of repair.

The death during the year of a member, Mr. Walter A. Hung, was deeply regretted.

A letter from the Registrar, regarding the revised statutes of the University providing for the nomination of three registered graduates to serve as members of the Court of the University, was read.

REGISTERED GRADUATES

The assistance of the Alumni Association was asked in preparing a register of registered graduates for the purposes. It was stated that graduates of three years' standing would be eligible for such registration on the payment of a fee of \$10.

It was decided to inform the University authorities that the Association would only be able to assist in the compilation of a list of registered graduates who were members of the Association, was also decided to point out that as graduates had already to pay \$25 as graduation fee, the additional payment of \$10 would appear to be uncalled for.

NEW OFFICERS

The following officers for the ensuing year were then elected:—President, Dr. F. I. Tseung; Vice-President, Dr. Lee Han-liong; Hon. Vice-President, the Vice-Chancellor, Mr. D. J. Sloss; Hon. Secretary, Mr. E. Zimmerman; Hon. Treasurer, Mr. Cheung Shu-tong; General Committee: Dr. Liu Yan-lak, Dr. D. K. Samy, Messrs. F. Zimmerman, Tam Yik-tong, Cheung Hok-nang, Yuen Kwok-huen and Ho Sal-cheong.

BRITISH MOTOR INDUSTRY'S WAR EFFORTS

LONDON, Mar. 29 (Reuter).—The way in which the British motor industry is concentrating on work for the Army and Air Force and how Britain is going all out for petrol rationing is shown by the figures for the last month's registrations.

Less than 10,000 cars were registered for the first time, as compared with 34,000 in February 1939.

H.K. STOCK EXCHANGE

Since the Easter break the market has suffered some neglect with prices drifting idly. At the same time holders are not attracted by today's bids, thus the volume of dealings becomes restricted. ATTEMPT ON WANG RECALLED

The attempt made in Hanoi last year on the life of the Chinese traitor, Wang Ching-wei, soon after his flight from Chungking, is recalled by the issue of probate to the Hongkong estate of Tsen Tsou-min, better known as Tsen Chung-ming, former Vice-Minister of Railways and Wang's chief accomplice, who was shot in the attempt and died at Hanoi on Mar. 21 last year.

Tsen Chung-ming left Hongkong estate valued at \$123,900, probate to which has been granted to the widow and sole beneficiary, Fan Tchen-pl.

CLOSE SINO-SOVIET RELATIONS

CHUNGKING, Mar. 29 (Int'l)—Another indication of the close Sino-Soviet relations is the exhibition of pictures of children of China and Soviet Russia beginning from Children's Day which falls on April 4.

The Children's Playgrounds Association will hold its 6th Annual Sports Meeting to-day (weather permitting) at the Southern Playground, Wanchai. The prizes will be distributed by Lady MacGregor at 4.15 p.m. instead of at 5 p.m. as previously arranged.

To foster closer co-operation, the Formosa Independent Revolutionary Party and the Formosa National Revolutionary League formed a Formosa Revolutionary Federation yesterday. The new body will further push the Formosa revolutionary movement which began some 40 years ago.

HONGKONG, MARCH 30, 1940

FATHER OF THE REPUBLIC

THE NEWS that the Standing Committee of the Central Kuomintang Headquarters has officially bestowed on Dr. Sun Yat-sen the title of "Father of the Chinese Republic" has great symbolic significance at the present time, when the Chinese people are fighting for the attainment of the aims to which Dr. Sun gave forty years of his life.

IT IS PARTICULARLY FITTING that this action should come now because today, the political coalition of parties and classes for the common purpose of national liberation, the instrument Dr. Sun himself recognized as the essential weapon without which the tasks of the Chinese revolution could not be successfully accomplished, is the basis of his people's struggle against Japan.

FOR THE ACHIEVEMENT of the first of Dr. Sun's three principles, the attainment of freedom and equality among the nations, the whole country has now taken up arms. Considerable, though insufficient, progress has been made towards the materialization of the second—democracy. Least headway has been made in dealing with the third of China's great problems, the problem of the livelihood of her people. But here too the picture is brighter than it has ever been before and the reduction of rents in various sections of the country, the rise of such movements as the Chinese Industrial Co-operatives and the general realization of the intimate connection between economic reform and the prospects of military victory all augur well for a future in which social justice will be a fact rather than a pious wish.

ALL THIS PROGRESS has come through and in the process of the war against Japan, the outbreak of which marked the end of the era of conciliation that for ten years had sapped the national morale. Today the war continues and the determination to fight on until victory is achieved in no way abated. It is safe, therefore, to say, that the march towards the realization of Dr. Sun's principles will also continue.

DR. SUN'S true followers are those whose conduct is guided solely by the interests of the war, interests which demand the complete expulsion of the invaders, the increase of popular participation in the struggle, and the improvement of the economic level of the people—an inexhaustible source of energy in the drive to victory. The traitors to his memory, and to the country, are the defeatists and waverers who are willing to accept compromise, and the stubborn opponents of democracy, political and economic, without which the war cannot be won.

THE RESOLUTION of the Standing Committee, together with the decisions of the Sixth Plenary Session providing for the convocation of the National Assembly are, therefore, particularly apposite. They constitute recognition in principle of the indivisibility of the war effort of the Chinese people and the further development of the three-point programme which for fifteen years has been the guiding light of China's onward march which will be accelerated tenfold when the recognition is translated, with all its implications, into positive action.

Tribute To "Dick" Humphreys
At Watson's Annual Meeting:
Very Satisfactory Year

THE FIFTY-FIFTH ANNUAL GENERAL MEETING OF MESSRS. A. S. WATSON AND CO., LTD., WAS HELD AT THE HONGKONG HOTEL YESTERDAY MORNING.

Mr. D. E. Clark, Chairman of the Board of Directors, presided and was assisted by Mr. J. Scott Harston, the Hon. Sir Shou-son Chow, Kt., Mr. S. T. Williamson and Mr. W. Paterson (Directors).

The following shareholders were present:—Messrs. Peter Wong, F. W. Stapleton, L. Guy, Wong Kum-tsoi, R. A. Wild, R. Johannessen, C. B. Brown, J. E. Jupp and N. V. A. Croucher.

"DICK" HUMPHREYS

Before proceeding with the business before the meeting, the Chairman asked Mr. J. Scott Harston, as the director with the longest period of service on the board, to say a few words in tribute to the memory of the late Mr. J. D. Humphreys.

"Mr. J. D. Humphreys, was familiarly known to us as 'Dick,' said Mr. Scott Harston. 'His first appearance in the Far East in the days of his manhood occurred in 1911, when he came out to join Messrs. Holiday, Wise and Co. in Manila. He remained there until January 1915, and then proceeded to England where he entered the British Army, with which he served throughout the War till his demobilization at the commencement of 1919, whereupon he returned to Hongkong and joined the firm of John D. Humphreys and Son, wherein he was made a partner in 1929 and in which firm his father became a partner many years previously.

"It is of interest to note that the Humphreys family have been associated with A. S. Watson and Co. ever since the year 1868, when the former John D. Humphreys (Dick's grandfather) joined it, and became sole proprietor in 1874—the business being turned into a Limited Company in the year 1886, so that the family connection therewith covers the lengthy period of 74 years.

"Dick possessed all the ability of his father and grandfather, and his genial presence and assistance will be greatly missed by those associated with him in business.

Those present stood in silence for a few moments as a mark of respect to the memory of the late Mr. Humphreys.

CHAIRMAN'S SPEECH

The Chairman then proposed the adoption of the report and accounts, Mr. Clark said, in part:—You will observe from the accounts placed before you that, disregarding profit realised as a result of the sale of the Kowloon Branch and property, net profit for the year under review amounts to \$328,279.41 as against the previous year's total of \$318,627.95, which I feel sure will be considered highly satisfactory.

In attaining this figure, all Hongkong Departments registered further material increases in volume of business, and although a larger balance of profit might well have been anticipated on this account, it should be borne in mind that due advantage was

taken of the favourable position to allocate more substantial allowances than hitherto for Depreciation while, additionally, reservations have been made against Passages, etc. in connection with Home leave for staff also for publicity purposes on the occasion of the Company's centennial anniversary which takes place in 1941.

BALANCE SHEET

"Turning to the balance sheet, you will note that the appropriation of \$50,000 made at our annual meeting last year as a reserve against outstanding accounts in China has been fully utilised chiefly to write off accounts for aerated water containers in the possession of Agents and Dealers in the outlying districts of Canton.

On the Assets side of the Balance Sheet, you will note that the value of Land and Buildings has been reduced by \$27,500.00, due to the decision to dispose of the Kowloon Dispensary during the year in view of the favourable offer received for the purchase of the Building and Stock.

IMMEDIATE OUTLOOK

As regards the immediate outlook, I may mention that trading returns covering the first four months of the current financial year indicate that all Hongkong Departments have registered substantial increases in turnover compared with the corresponding period of last year, due consideration, however, must be given to the fact that War-time regulations, prohibiting the export of a number of Hongkong commodities to certain Southern markets, affect our Company to some extent and, in addition, with advancing costs of raw materials and higher overhead expenses the margin of profit will necessarily be restricted.

I now formally propose that the report and statement of accounts, be adopted and that the balance at credit of profit and loss account as at Oct. 31, namely, \$460,627.71 be appropriated as follows:—

To Pay a dividend of 80 cents per share, absorbing	\$120,000.00
Pay a bonus of 45 cents per share	87,500.00
Transfer to General Reserve	150,000.00
Transfer to Chinese Staff Superannuation Account	10,000.00
Write off Building Improvements	14,271.87
and Carry forward to next account	98,855.84
	\$460,627.71

OTHER BUSINESS

Mr. J. Scott Harston, Sir Shou-son Chow, Mr. S. T. Williamson and Mr. W. Paterson, retiring directors, were re-elected to the board and Mr. C. Bernard Brown, A.C.A., and Mr. S. T. Butlin, A.C.A., were re-elected auditors.

HISTORY OF CHEMICAL WARFARE

INTERESTING LECTURE

Wing-Comdr. A. H. S. Steele-Perkins, O.B.E., Director of Air Raid Precautions, gave an interesting address at the Institution of Engineers and Shipbuilders of Hongkong yesterday on the subject of "The History of Chemical Warfare."

He said that it was on the contrary to "assume that men had fought their battles only by physical blows in the past. He cited that chemicals had been introduced in war of centuries past in the form of fire to smoke out the enemy.

In more recent years, the principal pioneer in chemical warfare was a Scotsman, the Earl of Dundonald, who discovered the use of noxious gases as an offensive weapon. The discovery was made as early as 1811. He offered his invention to the British Government and was declined on several occasions, the last as late as the Crimean War.

RECENT INVENTIONS

Turning to more recent inventions, the speaker said that modern armament had made the firing power so great that it became in battle was to be avoided, though he was directed towards other directions and the chemist was consulted. How well this work was done would be seen later.

The possible use of chemicals in war was foreseen towards the end of the 19th century.

The first chemical used in the Great War was tear gas, in grenade form, by the French in 1914. In April 1915, for the first time in history, the Germans used chlorine gas and inflicted heavy casualties on the French forces.

CHEMICAL SHELLS

The speaker recalled that at the time of the Armistice, 50 per cent. of the Germans, 35 per cent. of the French, 25 per cent. of the British and 15 per cent. of the American ammunition expenditure consisted of chemical shells. It was clear from the plans of both sides, that, had the war continued for another year, the campaign of 1919 would have been largely a chemical war.

Considering the question as to whether chemical warfare is inhuman, it might be said that as a casualty producer, gas ranked first among all the weapons of war, but as regards elimination through discharges of disability it ranked fifth amongst the casuistic agents, being exceeded by high explosives, rifle, machine-guns, etc.

Masked Men Board Boat

ROBBERY NEAR LANTAU

While Leung Tak, aged 50, was fishing from his boat at a point between Lan Tau Island and Brothers' Island on Thursday night, seven masked Chinese men, from a Hoklo sampan approached his craft. Five of them came aboard and stole money and other articles, including one tin of kerosene oil, to the total value of \$65.10.

According to a police report, three of the men were armed, one with a rifle, the second with a chopper and the third with a rake.

The men decamped in their sampan in the direction of Tai O.

KOWLOON CITY CASE

In a report to the police, Tang Ying, aged 30, married woman, living in a hut in Pin Shum village, Ngaushan, stated that she was home about 1 p.m. yesterday when, following a knock on the door, three men entered one of whom stated that he was looking for a man, surnamed Tse, and that he wanted to write some characters to him.

Tang Ying produced an ink pot and pen and after the man had begun to write one of the other two men, standing on her right, suddenly seized her neck. He was holding a scissor blade. The other man, on her left grabbed both her hands and twisted them in an attempt to bind her.

One of the marauders then asked her if she had any money and her reply was, "I have two dollars, don't kill me."

However, Tang Ying managed to shout "robbers" and the men then fled in the direction of Customs Pass Road where one of them was arrested.

FLIGHT - SGT. TOLLISON WINS BAGSHOT AT THE BISLEY MEETING

ON THE THIRD DAY of the Bisley and Services' Rifle Meeting, the weather early yesterday morning was most unpromising with a steady drizzle and low clouds along the hills.

Firing, however, commenced promptly according to schedule at 8.30 a.m. and in spite of the rain the Blackdown Competition was finished on time.

At 10.30 a.m. the Camberley Competition commenced at 500 Yards and shooting went steadily on to the end of that competition and half way through the Bagshot at 600 Yards.

While the second detail of the Bagshot was firing, however, visibility became so poor owing to the heavy rain that a halt had to be called.

From 12 noon until 1.30 p.m. the whole of the range was under water and it was decided to postpone the Company Match, which was due to take place in the afternoon, until Sunday morning.

Those competitors who had not fired in the Bagshot stayed on in the hope of finishing the competition and at 2.30 p.m. the weather had cleared sufficiently to allow of some shooting being carried on.

GOVERNOR'S PRIZE

The first stage in the Governor's Prize is, therefore, being completed. As last year, the worst effects of the storm were felt in the Mess Tents, two of which collapsed completely and the remaining one was half down.

In spite of the weather, everybody remained cheerful and it is worthy of note that Flight-Sergeant Tollison, who won the Bagshot, was one of those who had to fire in the appalling conditions after the worst of the storm was over.

SPLENDID WORK

The Statistical Department, which consists this year of an almost entirely new staff, carried on in a most praiseworthy way.

By 4.30 p.m. the rain had stopped and the ground was rapidly drying up.

Firing will commence promptly this morning at 8.45 a.m.

His Excellency the Governor will be present and will be the guest of the Association at luncheon on Monday.

At 4 p.m. His Excellency will give away the prizes to the successful competitors.

RESULTS

Detailed results of yesterday's shooting were as follows:—

Choral Group Venture

FUNDS FOR FOOD KITCHEN FOR REFUGEES

The first serious venture by amateurs in the production of opera in Hongkong is being undertaken by the Choral Group which, early in May, will present the popular "Cavalleria Rusticana," by Pietro Mascagni.

OBJECT OF PERFORMANCE

The object is to raise funds for Lady Pollock's food kitchen for refugees and destitutes, the Foreign Auxiliary of the Chinese Red Cross, the Boys' and Girls' Clubs, the Agricultural School for Refugee Students and the Chungshan Refugee Fund.

Contributions to the last-named charity will be made in memory of the late Mr. Li Chor-chi, who, besides being singer of considerable merit, did much to encourage interest in music in the Colony.

Rehearsals, under the direction of Maestro Elio Gualdi, have been proceeding for the past four months, and the stage has been reached where only the final touches need be added.

PRINCIPAL PARTS

The principal parts in the opera are being taken by Mr. Gaston D'Aquino (Turiddu), Miss Chan Mel-lan (Santuzza), Mr. Harry Talbot (Alfio), Miss Carmen Silva (Lola) and Mrs. Gertrude Goddard (Mamma Lucia), who will be supported by a chorus of 40 voices and an orchestra of 30 musicians under Prof. E. Pellegatti.

Dates of the performances, which will coincide with the 50th Jubilee festival production of the opera in Rome, will be announced later.

ROME FEARS MUCH-DREADED CLASH IN SPRING

Allies Will Not Start Any Peace Talks

The decision taken at the sixth meeting of the Supreme War Council has created a deep impression, not only in Great Britain and France, but also in Rome where observers comment on the result as the most far-reaching declaration of unflinching solidarity made by the Allies since the outbreak of hostilities.

Political circles feel that due to the Allies' determination not to take the initiative in any peace talks, the Spring must inevitably bring about the real clash of arms—the clash which the whole of Europe had been dreading for so long.

RIFT OVER SAITO CASE WIDENS

NEW RIGHTIST PARTY

TOKYO, Mar. 29 (Reuter).—As an outcome of the internal friction and splits engendered in the political parties through the expulsion of Mr. Takao Saito, veteran Minseitō Party member, from the Japanese House of Representatives on Mar. 7, important revisions are forecast in parliamentary circles, notably in the Rightist and Labour wings.

A league for successfully carrying out the holy war, an organisation of members of the Diet who voted for the expulsion of Mr. Takao Saito and of certain Minseitō members who support the Army policies, is now active in recruiting members of all factions who favour a strong attitude towards Britain and the United States.

The aim is to form a strong new Rightist Party which will oppose the policy of "cringing" to the democracies and advocate strong measures should either Britain, or the United States, obstruct the new Wang-Ching-wel regime.

EXPECTED EFFECT

Broadly speaking, the action of the majority of the members of the House of Representatives in forcing the expulsion of Mr. Takao Saito, in deference to pressure from the Government and Army and in contradiction to the constitutional rights of the House, had had the expected effect of bringing political parties into greater disrepute than ever and splitting them into small factions which will tend to render them futile and powerless for some time to come.

Mr. Neville Chamberlain took advantage of the opportunity to extend official greetings to M. Paul Reynaud since the latter became President of Council.

SOLID DECLARATION

The Council passed in review developments in the strategic situation since their last meeting and decided on future line of action.

In the light of the results achieved by the agreement of last December signed by Sir John Simon and M. Reynaud, and, desiring to extend the scope of this agreement to all spheres affecting the interests and security of the two nations, the two governments have agreed to the following solid declaration:

"The Government of the French Republic and His Majesty's Government in the United Kingdom mutually undertake that during the present war they will neither negotiate nor conclude an armistice or treaty of peace except by mutual agreement."

"They undertake not to discuss peace terms before reaching a complete agreement on the conditions for an effective and lasting guarantee of their security."

"Finally they undertake to maintain after the conclusion of peace a community of action in all spheres for so long as may be necessary to safeguard their security and to effect the reconstruction with the assistance of other nations, of an international order which will ensure the liberty of peoples, respect for the law, and the maintenance of peace in Europe."

ROME IMPRESSED
ROME, Mar. 29 (Reuter).—The communiqué issued after the meeting of the Supreme War Council is regarded in political circles as the most far-reaching and solemn declaration of unflinching solidarity made by the Allies since the outbreak of war.

Relations Strained

LONDON, Mar. 29 (Reuter).—Commenting on the Supreme War Council meeting, The Times diplomatic correspondent says that Franco-Soviet relations are undoubtedly strained at the moment, although neither side is exaggerating the Souris affair. There is, however, no Allied difference in the outlook towards the Soviet, whose policy has become increasingly clear in the betrayal of last August, in the occupation of the Baltic islands and ports, and the unprovoked attack on Finland.

The French Ministers are known to be specially anxious about the passage of German imports through Siberia and they are anxious, above all, that the closest check should be kept on the passage of minerals in Soviet ships. The British detention of the two Soviet merchantmen in Hongkong has very great importance in their eyes.

Nazi Ships Preparing To Dash For Vladivostok

BATAVIA, Mar. 29 (Reuter).—Three German steamers, Nordmark (7,750 tons), Rendsburg (8,200 tons) and Vogland (8,600 tons), which have been taking refuge here, are believed to be preparing to make a dash for Vladivostok.

They have been painted grey with their names obliterated and they are busily loading cargoes of produce.

Fourteen other German vessels, lying in various Netherlands East Indian harbours, are reported to be engaged on similar activities.

LOADING WITH COPRA

BATAVIA, Mar. 29 (Reuter).—Of the German ships believed to be making preparations for a dash to Vladivostok from various Dutch East Indies harbours, those at Menado and Macassar are loading with copra paid for in cash.

Other ships at these two ports and the ports of Padang, Sabang, Sourabaya and Tjilatjap, are loading coal and food.

Some of the ships experienced difficulty in obtaining permission to leave port. A settlement has apparently been reached.

No details regarding the departure of the ships, or their destination, are obtainable.

NEW SOUTH KWANGSI OFFENSIVE

JAPANESE DRIVES CHECKED

PINYANG, Mar. 29 (Central).—The Japanese troops which were defeated at Lingshan, in Western Kwangtung, and withdrew to Nanning, in South Kwangsi, started a drive toward Funan, south-west of Nanning, on Mar. 26.

TWO COLUMNS

One column pushing down the Nanning-Funan highway is being intercepted by the Chinese. Another column of about 4,000 men pushing westward is encountering Chinese resistance at Kengchusha.

STALIN FREES PRINCE ON KING'S APPEAL

Special to H. K. Daily Press
PARIS, Mar. 29 (Havas).—A personal appeal by King Victor Emmanuel to M. Stalin saved the life of Polish Prince Leon Radziwiłł who was arrested with his wife and 30 friends at Nelsvitz Castle following the occupation of that part of Poland by Soviet troops.

He was taken to Moscow and sentenced to death. The Prince and his wife were escorted to the Rumanian border following the intervention by King Victor.

here and there to send money and gifts.

Those people did so gladly with the fond hope of seeing the orphans grow into fine citizens, and she asked the children to be worthy of the love and confidence of those that had their welfare at heart.

Madame Chiang concluded by saying that she would endeavour to make as frequent visits as possible to Hongkong to see the children, but she expected always to receive good reports about them.

The speech was greeted with great spontaneous applause.

Combined Manoeuvres For Near Eastern Troops

CAIRO, Mar. 29 (Reuter).—The training and co-ordination of the Allied forces in the Near East are progressing at an accelerated tempo. The first combined manoeuvres between the British, Indian and Egyptian armies began in Egypt on Wednesday. The Trans Jordan Frontier Force is combining with Emir Aboullah's Arab Legion for the first time.

The exercises which are lasting a week, will extend over the whole of the Trans-Jordan and the once fierce desert raiders, who now form a disciplined and loyal desert patrol, will have their first experience of co-operation with British troops, staged with all the realism of war.

German Warships Reported To Be Seeking Encounter With British Contraband Forces

LONDON, Mar. 29 (Reuter).—An unconfirmed report that German warships "have steamed or are steaming" out of Wilhelmshaven to engage the British forces on contraband control duty was given by the Rome radio announcer last night.

The announcer added that German merchantmen in northern waters have been instructed to seek shelter in the nearest ports and, as a result, the Scandinavian harbours were literally teeming with German vessels.

gratified with the enthusiastic response to the campaign from both Chinese and foreign circles. She stressed the significance of the recent Campaign for Friends of Wounded Soldiers.

Referring to women's activities in Chungking, Madame Chiang said that a patriotic and progressive spirit has been fostered among the Szechwan women who were formerly known for their conservatism, largely through the efforts of the Chungking Women's Service Corps. This Corps did an admirable part in rescue work during the Japanese bombings of Chungking and in inducing women to join the different organisations sponsored by the Headquarters of the Chinese Industrial Co-operatives in the wartime capital.

TOKYO, Mar. 29 (Reuter).—The violation of Japanese territory by Soviet planes is reported in Japanese message from the north-east frontier, the Japanese claim that the Russian flights were deliberately carried out for reconnaissance purposes.

CATHOLIC NEWS & NOTES

PASCHAL TIME & ITS OBSERVANCE:
DR. MANION: RECTOR OF LOUVAIN

The period that follows Easter is called Paschal Time. It continues until Trinity Sunday and covers the season commemorating the forty days of Christ's risen life, the Ascension and the Descent of the Holy Ghost on Pentecost.

The joyful character of the liturgy is maintained during all this time and the joy has been admirably expressed in the ecclesiastical music, especially in the numerous settings of the hymn Regina Coeli, "Queen of Heaven," which is frequently repeated in the Office of this time.

It is also expressed by the constant repetition of the word Alleluia, and by the words of the prayers of the time. The Regina Coeli, which has been traced back to the twelfth century, is of unknown origin.

Another antiphon of this time, Victimae Paschali, used in the days immediately following Easter, can be traced back further still and it is fairly conclusively proved to be the work of Wipo, the Chaplain to the Emperor Konrad II, whose biography he wrote in chronicle form.

DR. MANION

Dr. Robert Manion, the leader of the Canadian Conservative Party, who was defeated with many other prominent members at the recent elections in Canada, is a Catholic, and one who can offset this defeat with a record of many successes in medicine, war, politics and literature. He is of Irish ancestry and was a practising doctor and an Alderman of Fort William when the Great War broke out.

He served in France and while M.O. of the 21st Canadian Battalion won the M.C. on the field at Vimy Ridge. While still in the army he was elected to the Dominion House of Commons and a few years later held office in the Meighin Cabinet. In the Bennett Cabinet, 1930, he was made Minister of Railways, and he succeeded his leader as head of the Conservative Party in 1938. He is a keen student of social conditions and an able administrator. He is the author of a volume of reminiscences entitled "A Surgeon in Arms."

RECTOR OF LOUVAIN

The death of Mgr. Ladeuze, Rector of Louvain for the past thirty-two years, has robbed Belgium of the second great wartime personality in recent months—the other being Burgomaster

Max of Brussels. Mgr. Ladeuze came into prominence during the German invasion of 1914, when he refused to leave his post. He worked in close co-operation with Cardinal Mercier, whose close friend he was. He was held as a hostage when the Germans entered Louvain, and was ill-treated and threatened with death.

He saw the wanton destruction of the University and its great library, and refused under threat of deportation to re-open the University during German occupation. After the war he received world-wide prominence for his refusal to allow an anti-German inscription to be incorporated in the facade of the restored library, holding that it would merely perpetuate ill-feeling. The matter went to the courts and Mgr. Ladeuze's decision was upheld.

"HANNIBAL" VICTIM

Among those lost on the Imperial Airways line "Hannibal," when it disappeared a few months ago, was one of the leading Indian Catholics of the day, Sir A. T. Pannir Selvam, who was on his way to England to take up his new post as Adviser to the Secretary of State for India. He was educated at the Jesuit College in Trichinopoly and at the University of Madras, and held numerous public positions.

He held office in the Government on two occasions, as Home Secretary and Finance Minister, and was one of the Delegates to the Indian Round Table Conference in London ten years ago. He was President of the All-India Catholic Conference in 1930 and later was nominated to serve as a representative of British India on the Minorities Committee, on behalf of Indian Catholics. Both as a Catholic and as a statesman his death is regarded as a national loss in India.

The market was quiet but steady.

NEW YORK COTTON: There was a broader general demand which met with limited offerings. Prices closed firm on further talk of an export subsidy, while a better sale of goods, inducing more price-fixing, aided the market.

NEW YORK RUBBER: There was no pressure to sell and shipment positions were steady.

CHICAGO WHEAT: Easier under scattered selling due to reports of rain in Western Kansas. The weakness of the Winnipeg market is also an adverse influence.

NEW YORK STOCKS: Previous close, 147.71; Today's close, 147.25; Change off 22.

MR. G. S. ARCHBUTT NEW
PRESIDENT OF L.B.A.H.E. The Governor's Keenness
A Great Encouragement

REFERENCE WAS MADE TO THE GREAT IMPETUS GIVEN
TO LAWN BOWLS IN THE COLONY by His Excellency the Gov-
ernor, by Dr. J. T. Smalley, President of the Hongkong Lawn Bowls
Association, at the annual general meeting yesterday evening.

After drawing attention to the fact that His Excellency had
honoured all the finals with his presence, Dr. Smalley said that
with unbounded enthusiasm His Excellency has drawn within the
fold many men to whom the game of bowls was formerly a complete
mystery.

"We thank him for all he has
done for the game in Hongkong."

CHAIRMAN'S REVIEW

Reviewing the principal events
of the year, Dr. Smalley said, in
part:—

"You will all agree with me that
the last season was on the whole
a successful one. All matches
were completed except in the case
of the Police, who in the 1st
Division had on five occasions to
give their opponents a walk-over
owing to pressure of special duties."

Omar's Recovery

I have to congratulate the Club
de Reccro on winning the first
and third divisions of the League,
and the H. K. Football Club, on
winning the second division.

There were two outstanding
efforts in the Championships and
Tournaments:—U. M. Omar's de-
feat of A. R. Dallah in the open
singles after being down 10-20,
and Switzerland's victory in the
International Shield, beating such
strong combinations as England
and Scotland.

We now come to the greatest
achievement of all the re-capture
of the Prentice Cup from Shang-
hai. Our congratulation goes out
to that Messrs. Omar, Bradbury,
Hall and Duncan for their great
victory.

Helpers Thanked

The special selection committee
have done splendid work during
the past season and they have
well earned our grateful thanks.

The grateful thanks of this
Association is due to Mr. P. J. A.
Hamilton for auditing the ac-
counts and to the South China
Morning Post for so willingly
placing their Board Room at our
disposal for this and previous
meetings.

I am afraid there will be no
Wanstead Cup match this season
as I understand the English Lawn
Bowls Association have decided to
hold no competition during the
year.

Accounts Satisfactory

Before the report and accounts
were adopted, the Hon. Treasurer,
at the chairman's request, ex-
plained the accounts which, he
said, disclosed a satisfactory posi-
tion. The Association was \$308 to

the good in its workings for the
last year.

The annual supper, always
showed a deficit. The usual dona-
tion of \$100 to St. Dunstan's Home
had been made, and on the
assets side he drew attention to
the fact that the Association had
a bank balance of over \$1,500.

Officers Elected

The following office bearers
were elected for the ensuing year:—
President, Mr. G. S. Archbutt;
Vice-President, Sir Atholl Mac-
Gregor; Hon. Secretary, Mr. R. P.
Phillips; Hon. Treasurer, Mr. L. A.
Gutierrez.

A letter from Mr. B. W. Brad-
bury, drawing attention to the
matter of the draw especially in
Open Singles games, was read.
Mr. Bradbury suggested that some
sort of "seeding" should be done
with the object of giving better
players an opportunity of playing
without clashing. This would
make latter stages of any com-
petition more interesting.

The matter was put to the meet-
ing but was turned down. It was
decided to carry on in the old
way.

It was decided to start League
games at 3.30 p.m., except where
players wanted to start at 4 p.m.,
as in the past.

Probable Entries

It was also resolved that in the
event of inclement weather, the
home club should inform the
visiting club by 2 p.m. at the
latest whether or not play on
that day would be possible.

A call of the probable entries
for this year's League resulted as
follows:—Reccro 3, Kowloon Bow-
ling Green Club 3, Craigengower
3, H. K. Football Club 2, Kowloon
Football Club 2, Police R. C. 2,
Civil Service Cricket Club 2, Kow-
loon Cricket Club 2, Kowloon
Dock R. C. 1, H. K. C. C. 2, Tal-
koo R. C. 1, Indian R. 1 (or 2)
Stanley 1, Kowloon Tong 1. It
was decided that entries close on
April 7.

It was also decided to make the
usual donation of \$50 to the Chil-
dren's Playground Association.

D.O.B. ASSCN.

"As it was unable to secure a
quorum, the annual meeting of
the Diocesan Old Boys' Associa-
tion, scheduled to take place yester-
day, was postponed to Tuesday,
April 23. The place where the
meeting will take place will be an-
nounced later."
